

Liugong 848h

£POA

To ensure real return on investment you demand machines that can quickly adapt to any situation on the jobsite and handle multiple jobs with speed and precision. Our new 848H wheel loaders, combined with our perfectly matched quick coupler and attachments, create the ultimate in multi-tools. Here is a selection of key benefits, common to both of our new machines.

The new 848H wheel loader has much more to offer than high power and great productivity. In terms of efficiency and fuel consumption, the new LiuGong 848H integrates the strongest

Product Details	
Category/Type	Wheel Loaders
Make	Liugong
Model	848h
Year	16,500 kg
Hours	136 kW

Don't take our word... take theirs.

Our optimized Z-Bar geometry positions the bucket closer to the tires, achieving 6% higher bucket breakout forces with maximum rollback. Stable transport of materials with minimal spillage is easily achieved. The option of hydraulic quick coupler attachment adds versatility to Z-bar machines, allowing use of multiple tools to suit the job site needs.
