

Liugong 877H

£POA

In tough quarrying and mining environments, there's no room for guesswork. You need to know that your wheel loader can easily handle all the strenuous day-to-day tasks with speed, economy and unending stamina. Your business credibility ultimately depends on your machine's operating performance and with our new 877H you can be sure that your reputation is in safe hands.

At the heart of our exceptional powertrain lies the latest Cummins L9 engine. This power house has been designed to deliver impressive acceleration and torque output, along with a serious

Category/Type	Wheel Loaders
Make	Liugong
Model	877H
Year	24,500 kg
Hours	213 kW

combination optimizes power and fuel efficiency, day after day, increasing bucket breakout force and loading capability. To this, we've added larger, high capacity axles which make light work of the toughest terrain and intelligent hydraulics for low-engine speed performance, quick steering response and rapid boom up speeds. We put this power right in your operator's hands with simple and intuitive controls designed to get the job done faster and more effectively every cycle.
