

## LiuGong 9027F

### £POA

Take a walk around the new 9027FZTS and you will see the difference. It's a compact machine that delivers on all the big essentials that matter to you.

When space is tight, the neat compact design with zero tailswing and boom swing gets you to work. With the upper frame and counter-weight sitting within the width of the tracks the 9027FZTS can squeeze into the tightest jobsites without damaging the machine or surrounding environment.

The agile offset boom swing control allows the 9027FZTS to deliver even greater versatility allowing you to dig right alongside the tracks. Simple push button selection and trackwheel control
