

Liugong 915FCR

£POA

-There's no need to compromise digging performance to get the highest fuel efficiency because the all New 913FCR and 915FCR gives you both. With greater torque and more power at lower engine speeds you get the power you want and the fuel efficiency you need.

-With VGT technology, the 3.8L Four Cylinder Cummins engine delivers 5% extra torque compared to high torque at low engine speeds. VGT enables the engine to maximize its power output whilst creating less noise and using less fuel.
