

Liugong 928F

£POA

To build machines that can withstand the hardest conditions takes intelligent design, and attention to detail. We know that a machine is only as strong as its weakest point, so every weld, every joint, every component is scrutinized to ensure it passes our rigorous durability tests. Here's the proof.

There's no need to compromise digging performance to get the highest fuel efficiency because the all New 928F gives you both. With greater torque and more power at lower engine speeds

Product Details	
Category/Type	Excavators
Make	Liugong
Model	928F
Year	26,400 - 28,990kg
Hours	142 kW

Climb into the spacious cab and you'll know that it has been designed by a team that really knows what its like to be an operator. Talking, listening and observing operators, our design team spend almost as much time in the cab as they do with the CAD. The result? One of the most ergonomic
