

Liugong LT26JE (28.1m)

£POA

High quality tilt and weight sensor, for safe and reliable operation; Modern electronic control system to provide security and safety; The protection level of components of the whole machine is above IP65. The turntable rotation 360° continuously with compact tail, suitable for narrow space operation; Combine calibration with intelligent and efficient system; Oscillating axles as standard; Four wheel strong AC electric drive, climbing capacity up to 45%, strong trafficability; High-power charger, large-capacity power battery, fast charging, ultra-long endurance Smooth descent on all booms; Automatic deceleration at the action limit position, stable action,

Product Details

Category/Type	Aerial Work Platforms
Make	Liugong
Model	LT26JE (28.1m)
Year	15,000kg
Hours	5.2kW

diagnosis system · Overload protection · Efficient alarm warnings

Capital Valley Industrial Park Rhymney, Gwent, NP22 5PT
